Facebook Video Downloader Description: Free Ebook Downloads by Readers Online is a "single click" download and conversion utility. It is a handy program that allows users to take advantage of their data download service without having to contact their e-mail provider. It makes the downloading of e-books possible without paying for additional bandwidth and storage space. While I was looking for some kind of ebook reader for Windows Phone, I found and downloaded Free Ebook Downloads. After installing it and clicking "Connect" to a new Facebook account, I was able to download many e-books I had liked from Facebook. Once I finished downloading all of them, I was able to access them from within the app. It doesn't matter whether the app had an e-book for a particular title. I just had to click on "Open Book" in the main screen. Now, in case I want to download a whole book, I just scroll down to the bottom of the app, click "Select Book" and select the e-book I want to download from the list of my liked titles. The apps works fine on Windows Phone 8 devices. Also, you can see your downloads in the "All Downloads" section. Facebook Video Downloader Description: ScreenShot Tool is an easy-to-use solution for downloading video and photos from Facebook pages. The download manager features: - Downloading video or photo files from facebook pages - Allows you to download all the video or photo of your friends (you have permission) - Option to download only
